Point to Ponder

"This is not a referendum about abortion in limited circumstances. Many people seem to think this is the case, but it is not. If passed, the law will permit abortion on demand in the first three months of pregnancy. That is when about 90pc of abortions take place. The vast majority of these will not involve hard cases. Both the mothers and their babies will almost always be perfectly healthy." (Bishop Denis Brennan, *The Right To Life Of The Unborn*).
